

15th July 2022

Dear Parents and carers,

This is my penultimate letter to parents for this academic year and we suddenly find ourselves with just 5 school days left. The warm weather has provided a challenge for staff and students with more to come over the weekend and next week. We have a number of trips going on, including the trip to the Great Yorkshire show today for our older students, a trip to Eden Camp for G5, primary have been to Billy Bobs and other smaller class trips. All adds to the school experience we want our students to have in the new Forest Moor way.

End of year reports

These should have gone out by the end of today by email or by post for those parents who do not use email. If you have not received anything by Monday, let us know.

Last week of term

Wednesday 20th July – School BBQ and celebration of the year with current form

Thursday 21st July – Time with new class in the morning followed by sports afternoon

Friday 22nd July – Time with new form. School day ends at 12.30pm

Extreme Heat warning

Just a note about the extreme heat warning for Monday and Tuesday next week. We will make some simple adaptations during these days next week but please remind your child to wear cool clothing, bring a water bottle and slow down!

Dinner money and Uniform

Please can I remind parents to pay any outstanding dinner money for this year so all accounts start at zero next year. In spite of rising costs, we have decided to keep the cost of a school meal at the same level this year, so to support our challenging school budget we would appreciate if all accounts are fully paid up. If you want to order any school uniform, please speak with the school office so that can process this order for September.

Start of next year

Monday 5th and Tuesday 6th September will be staff training days next year. On Wednesday 7th September, we will be holding a student and parent review day as we did last year. On this day, there will be an opportunity for you to come and visit the school and meet the tutor in the classroom to talk about the year ahead. Our admin team have started to make appointments for this day and I would really encourage you to attend as this supports the relationship between home and school. If it is impossible to attend in person, we can arrange to do this meeting virtually.

Staffing

This week we have successfully recruited three new staff into school. Mr Steve Lumb has been appointed as a Construction Instructor, which is an exciting new development in school. We have a fantastic workshop and this new subject will help students develop some new practical skills, which might lead to a good career in the future.

Enquiries: Gemma Ashton

Ms Rebecca Jack has been appointed as an instructor in school and Ms Michelle Smith has been appointed to work in the school office to replace Laura Greaves who moves to a new position in Harrogate in September.

Parents should now be aware of their class teacher and point of contact for September. We are still recruiting for TAs next week and will be deciding in which class they are to be placed. We will finally confirm these placements in September.

Financial support for parents

I have mentioned our support for parents in the past but I also came across this advert last week of how some retailers are supporting families over the summer, which might be of some interest.
